Notice

Subject: Inviting feedback of Public Stakeholders on the Draft Medical Device Consultant Certification Scheme (MDCCS) by Life Sciences Sector Skill Development Council

Dated: 23 June 2026

Life Sciences Sector Skill Development Council (LSSSDC) invites feedback on the Draft Medical Device Consultant Certification Scheme (MDCCS).

LSSSDC has taken the initiative to develop a Certification Scheme for Medical Device Consultants in accordance with the International Standard for Personnel Certification, ISO/IEC 17024:2012, thereby enabling the availability of skilled and certified resources in India.

LSSSDC, as the Scheme Owner, aims to promote uniformity in the implementation of certification among the Personnel Certification Bodies (PrCBs), thereby developing an ecosystem for the certification of **Medical Devices Consultants**.

The objective of this document is to define the process for certifying **Medical Device Consultants** under the LSSSDC mandate.

The objectives of this scheme are to:

- 1.1 Establish minimum competence requirements for Medical Device Consultants
- 1.2 Enable objective and impartial assessment of candidates
- 1.3 Support regulatory compliance and industry confidence
- 1.4 Align personnel certification with ISO/IEC 17024

The Draft Medical Device Consultant Certification Scheme (MDCCS) along with competence standard in plain and simple language to facilitate ease of understanding are available on LSSSDC website at the following link: <https://www.lsssdc.in/page/downloadPdf#mdccs-details>

The submissions will be held in fiduciary capacity in LSSSDC and shall not be disclosed to any one at any stage, enabling persons to submit feedback/comments freely without any hesitation.

Stakeholders are invited to review the draft documents and submit their comments or recommendations by **22 July 2026** through the google form link: <https://forms.gle/ztXDScYCaS1TdZaJ9>
